

## St. Joseph School E-Reader Policy

This year, we are allowing students to use electronic readers (e-readers) on campus. While we are excited that students are using new technology to nurture their love of reading, we do have some rules for the appropriate use of these devices.

### **Rules for using e-readers**

- St. Joseph School is not responsible for lost, stolen, or damaged e-readers. If you bring an e-reader on campus, it is your responsibility to care for it.
- All e-readers must be labeled with the student's first and last name.
- Each student is responsible for his/her own e-reader and is not allowed to lend it to another student while on campus.
- E-readers can be used in class only when the teacher gives the student permission. If a student is using an e-reader at an inappropriate time, the teacher may confiscate it and leave it in the office for the student to pick up after school.
- E-readers are to be used for reading school related material only.
- Any student found to be using his/her e-reader for internet access during class will lose his/her privileges. This means that books must be downloaded off campus, prior to coming to school.
- Material downloaded by each student must be monitored by his/her parents.
- E-readers may not be used on campus for audio books.
- The privilege to use an e-reader can be revoked at any time.
- E-reading devices must be approved by the teacher.

By signing the sheet below, you are giving your student permission to use his/her e-reader on campus in agreement with the rules listed above. Please have your student submit the signed form to his/her language arts/literature teacher.

Enjoy reading!
