

**Did you just pull your child's new device  
out of the box?**

**Are you curious how best to set up the  
system for school?**

*Parents, please join us for...*

*A Session to Help Set Up Your*

*Student's School Laptop*

**Thursday, August 30, 2018**

**6:30-8:00 pm**

**Who:** Join Middle School Teacher Mrs. Jana White

**What:** Come to learn more about the middle school BYOD program and set up your child's computer successfully for the school year. I will also be available to answer any questions you might have about the specifics of *Office 365 for Education*, parent permission settings on student devices, computer software, and best practices for student users.

**Where:** Snoqualmie Campus

**When:** Thursday, August 30, 2018 from 6:30-8:00pm

**RSVP:** Please RSVP by Monday, August 27, 2018 to Jana White at [jwhite@sjsissaquah.org](mailto:jwhite@sjsissaquah.org)

**What to Bring:**

- Your student's laptop
- Charger
- Device Passwords (*Note: You should be the administrator on your child's device.*)

*This is a parent only event. No students please.*
